

Dear Parents,

This week in Social Studies we will be taking a test on Missions. I will send home a study guide on Tuesday. The trip to San Juan Capistrano was beautiful. We had great weather and the students learned a lot about Mission life. They got to make adobe bricks and had a souvenir to take home. The children have the names of their missions and we will be researching and writing our reports in class. The students took several papers home to explain the process.

We continue with Multiplication of 2 and 3 digit numbers by a one digit Multiplier, Using a table to help solve problem, and multiplying money.

Religion, we are headed into Chapter Five which covers Our Lord Jesus, The Son of God. I would like to remind you, as parents, that you are responsible for taking your child to church. I have the children write down the name of the Book of the Old Testament that the 1<sup>st</sup> reading comes from, which Letter of St. Paul wrote and to who, and the Gospel. They can't answer my questions on Monday, if they don't go to church!

Writing finds us writing a Persuasive paragraph. Their published work must be turned in by Friday November 11<sup>th</sup>.

Reading this week is about wanting to be President. How the process works and what responsibilities the President must work on every day. We will be reviewing Plural Possessive Nouns.

We will be collecting pennies for the Ronald McDonald house. Please have your child bring in pennies to put in our big jug. If the jug is completely full a total of 100,000 pennies would end up in our jar. **Let's fill up that jar!**

I hope this letter finds everyone in the family in great health, and May God Bless you and keep you all the days of your life.

Yours in Education

Mr. Anthony Reymann
